## Now Available For Charter: The Cessna Citation X

### The Cessna Citation X: A Time Machine...Literally

**Aviation Advisor, Inc.** proudly announces the arrival of the distinguished Citation X to its' charter certificate where it accompanies an outstanding fleet of Cessna Citation aircraft. The Citation X flies at nearly supersonic speeds (.92 Mach) providing non-stop service from Los Angeles to New York in less than 4 hours. While cruising at tremendous speed, the Citation X also provides complete comfort and audio/visual entertainment for all aboard.

### The Finest Interior Appointments:

A stand-up cabin with a double club seating configuration makes your in-flight experience both comfortable and productive

### Citation X Performance is Second To None:

**Time...** it cannot be recaptured, replaced or repeated. With the Citation X however, Aviation Advisor can help you win it back. At a maximum cruising speed of 608 MPH and a range of 3800 statute miles, we'll get you and your travel companions where you need to be faster than any aircraft in civil aviation. This combination of speed and range places the Citation X in a class of its own. Call today for your charter reservation and put time on your side.
